Dear Parents & Carers,

First Reconciliation & Holy Communion Preparation 2021-22

Following the summer break, our parish community at Saint Mary's will begin to prepare children for First Reconciliation (Confession) and First Holy Communion. This programme of preparation is open to all baptised Catholic children in Year Four and above. Following the Pandemic and restrictions it will be a 'catch-up' year, so this letter is to gauge initial interest from those families seeking to enrol their children in the preparation programme.

Should you judge your child to be ready to make this important step, please could you indicate your interest by completing the slip below and returning it to the Presbytery/Parish Office before Friday 8 May.

Once we have received your child's details, we will be able to arrange the preparation according to numbers of children, age and other needs. Attendance at all the preparation sessions and Sunday Mass is an essential sign of commitment to the preparation – so please consider this requirement before committing your child to this programme.

In order to ease communication, it is hoped that we would use email as the principal means of keeping in touch and to avoid confusion should we have to alter the timetable. Please could you include an email address below.

We look forward to meeting you all and accompanying your family in your child's journey towards First Reconciliation and receiving Jesus for the first time in the awesome gift of the Eucharist. Please do not hesitate to contact me with any questions you may have.

With every good wish,

Fr Christopher Warren
